Enclosure

December 8, 2017

to The Honorable Judge Margo Bradie

I accept full responsibility for my actions in impeding law enforcement on June 13, 2015. I deliberately ran toward the officers' car with the intent to interfere with their surveillance. I did so knowing the officers were probably following me because of my support for the Islamic State.

The purpose of my October 13, 2017 letter was to advise the court that Mr. Rabbani and I had previously spoken to law enforcement about being followed and to emphasize that I had no intention of harming the officers. Nevertheless, I made a conscious and voluntary decision to approach the officers' car, acknowledge my guilt and accept full responsibility for my conduct.

Sincerely Munther Sulch
